DONATED DENTAL SERVICES (DDS)

Dear Applicant:

The following pages are the Donated Dental Services (DDS) Program Application.

ELIGIBILITY:

Dentists in your state have volunteered to provide dental care. They do this for free to eligible applicants.

If you have a permanent disability, or over 65 years old, or medically compromised, and don’t have enough money to pay for dental care, you may qualify for free treatment through the DDS program.

COST:

People who qualify usually pay nothing. Occasionally, people who can pay for part of their care may be asked to do so, especially if you need laboratory work.

DENTAL BENEFITS:

If you have dental insurance (including dental provided through Medicaid), you need to use that first.

APPLICATION PROCESS:

Step One
Complete entire application to the best of your ability.

Step Two
When we get your application, we will decide if you appear eligible for the program. If you appear eligible, we will put you on the waiting list in the order your application was received. If you are not eligible, we will send you a letter of denial. Depending on where you live, the wait will be several months or can be over a year. We cannot return phone calls about where you are on the waiting list due to the volume of calls we receive.

Step Three
When your application comes to the top of the waitlist, DDS will contact you. If the coordinator determines you are eligible, you will be referred to a volunteer. If a volunteer agrees to see you, you will schedule an appointment. Final acceptance into the program will be made only after the first appointment with the dentist.

We are sorry you are experiencing a dental problem and we hope the Donated Dental Services (DDS) program may be of some help.

Sincerely,

DDS Program Coordinator

Frequently Asked Questions and Answers

1. I have questions about how to fill out the application; who can I call?
   - Do your best to complete as much as you can. Remember to sign page 4 of the application.

2. How will I know if you received my application?
   - A postcard will be mailed to you within a month of your application being received.

3. How can I find out where I am on the waitlist or how long do I have to wait?
   - I am sorry we are unable to answer this question. The waitlist is based on the number of volunteers in your area and how many people are already waiting for services.

4. I have a dental emergency, can you help?
   - We do not offer emergency treatment. When you become a patient of the program, it could take 4 weeks or longer to find you a dentist.

5. How far will I have to travel?
   - We will try to send you to a volunteer who is close to where you live.

6. Where do I send my completed application?
   - The mailing address and fax number are on page one at the top left corner.

7. Who pays the dentists?
   - Dentists are not paid by anyone. They have agreed to donate their time to treat our patients.

8. What kind of dental work can I get through the DDS program?
   - The dentist will come up with the treatment plan. The goal is to make sure you are pain-free and able to eat properly.

9. Is there an income limit to get help?
   - The program is here to help people who cannot afford the treatment they need. Each application will be reviewed to decide whether you qualify for dental care. If you believe you cannot afford your dental care, please apply.

10. What should I write in the Referral Agency Section?
    - Please give the name of the agency that gave you the application or the name of the agency that you go to for services.

11. Who can fill out the Medical Triage form?
    - Please take the Medical Triage form to your treating physician or nurse.

12. Can I choose the dentist I go to?
    - No. We match you with a dentist from the program who is located near where you live.
