

Dental Lifeline Network • Colorado

ANNUAL REPORT

THE STORY

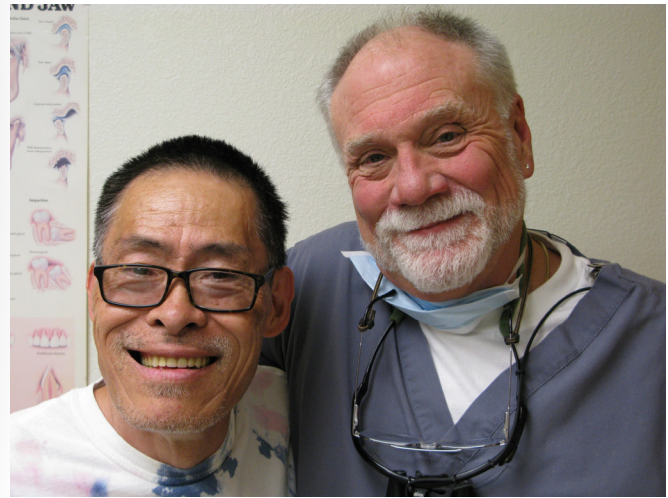

Frank, 62, lives in northeastern CO with his partner and caregiver Linda. He has had an intellectual disability since birth. Frank and Linda both participate in Special Olympics, enjoy bowling and participate in other team sports.

While he is generally in good overall health, Frank's oral health needed some attention. He had many broken and decayed teeth that affected his ability to eat a regular diet and caused him pain. He sought help for his dental conditions, but sadly, he was unable to afford the recommended treatment plan. Frank and Linda survive on a Social Security Disability benefit and a small income from working at a pizza place but struggle to make ends meet.

HOW DDS HELPED

Fortunately, Frank was referred to the **Donated Dental Services (DDS)** program by Eastern Colorado Service for the Developmentally Disabled and he was linked with two generous volunteers.

- Dr. James I. Armbruster performed an exam, 22 extractions and donated full upper and lower dentures.
- Master Craft Dental Lab fabricated full upper and lower dentures at no cost.

Frank and Dr. James I. Armbruster

“ I am very excited for my new teeth and cannot wait to eat healthier and have pizza and salads!”

– FRANK, DDS PATIENT

DENTAL SCHOOL GRADUATE HONORED

At the University of Colorado School of Dental Medicine, the 2019 recipient of the Brian D. Stone Award was Dr. Jennifer Aaberg. Dental Lifeline Network partners with dental schools through the Brian D. Stone Memorial Award to recognize graduating students who are committed to volunteerism or to helping people with special needs.

Colorado Donated Dental Services (DDS)

DDS is a Program of Dental Lifeline Network • Colorado and the Colorado Dental Association

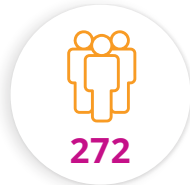

FISCAL YEAR 2018-2019

Patient Treatment

Patients Served

Patients on Wait List

Volunteer Dentists

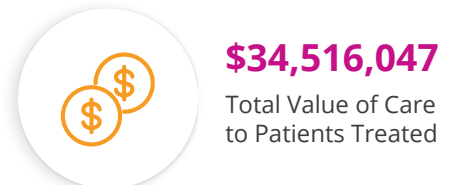

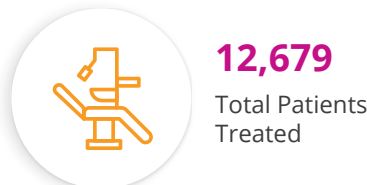

Volunteer Labs

Financial

Since Colorado Program Inception (1985)

¹ Average does not include treatment from DDS volunteer dentists who provided patients with initial restorative treatment and have elected to continue providing routine and ongoing care.

² Value also included in Value of Care to Patients Treated.
