- I am proud to sit on the board of Dental Lifeline Network [redacted] and be a part of an organization nationally that has helped so many people. DLN national has just hit a HUGE milestone! Together, we have reached \$500 Million in donated dental treatment! That's half a billion dollars that went to providing critical dental care to 165,000 people in dire need. #500MStrong #500MReasonstoSmile

### For Your Association Page

Is your state also celebrating a milestone? Include your accomplishments.

- Half a billion dollars in donated dental treatment! That's what our national network of volunteer dentists and labs across the country have donated since our inception! Thanks to them, 165,000 individuals' lives were changed for the better, including [number of people served] in [your state]. #500MStrong #500MReasonstoSmile
- We're so grateful for our DLN [your state] and national volunteer dentists and labs! Together, we have reached \$500M in donated dental treatment! That's half a billion dollars that went to providing critical dental care to 165,000 people in dire need. #500MStrong #500MReasonstoSmile

### For Your Business Page

- [Company Name] has been a proud supporter of Dental Lifeline Network for more than [redacted] years. We're excited to announce a HUGE milestone! Volunteer dentists and labs across the country have donated more than \$500 million in dental care! We're so grateful to be part of improving the oral and overall health of more than 165,000 individuals with special needs who can't afford dental care. #500MStrong #500MReasonstoSmile
- Half a billion dollars in donated dental care! That's what the national network of volunteer dentists and labs across the country have donated through our partner, Dental Lifeline Network. We are proud to say that, together, we've helped 165,000 individuals in dire need get connected to critical dental care. #500MStrong #500MReasonstoSmile
