From clearing up painful dental infections and being able to eat again to rejoining the workforce—volunteering with Dental Lifeline Network's Donated Dental Services (DDS) program will make a life changing difference for the people we serve.

“ THE DDS PROGRAM SUPPORTS AN ELEMENT OF PEOPLE WHO FALL THROUGH THE CRACKS.

This program takes those people and volunteering has so many rewards. It makes your heart feel good and you know that you have helped a person. The smile that they give you when you finish is absolutely priceless.”
