

# YOU CAN CHANGE A LIFE

Dental Lifeline  
Network • Tennessee

More than Dentistry. Life.®

“

**THE DDS PROGRAM  
SUPPORTS AN ELEMENT  
OF PEOPLE WHO FALL  
THROUGH THE CRACKS.**

This program takes those people and  
volunteering has so many rewards. It  
makes your heart feel good and you  
know that you have helped a person.

The smile they give you when you  
finish is absolutely priceless.
