## At Dental Lifeline Network, your time and skills matter.

That's why we've made volunteering easy for compassionate dental professionals like you.

From screening those in need to managing coordination seamlessly, we've got it all covered.

When you volunteer with Dental Lifeline Network's Donated Dental Services (DDS) program, you change lives, find your purpose, and redefine success.

Volunteering with DLN is probably the most rewarding thing that I do. You donate your time, you donate your services, and you impact this one individual's life more than you can ever imagine. And just seeing the smile on their face when we're done - it just makes it worth it.
