Why I Dental.
”

At Dental Lifeline Network, your time and skills matter.

That's why we've made volunteering easy for compassionate dental professionals like you.

From screening those in need to managing coordination seamlessly, we've got it all covered.

When you volunteer with Dental Lifeline Network's Donated Dental Services (DDS) program, you change lives, find your purpose, and redefine success.

Access to care in the state of New Jersey is an issue. DLN creates access for individuals who otherwise would not be able to receive care. Volunteering is very rewarding to me and my staff.
