At Dental Lifeline Network, your time and skills matter.

That's why we've made volunteering easy for compassionate dental professionals like you.

From screening those in need to managing coordination seamlessly, we've got it all covered.

When you volunteer with Dental Lifeline Network's Donated Dental Services (DDS) program, you change lives, find your purpose, and redefine success.

"DLN gives me an opportunity to improve the dental health of those around me that might have a hard time getting the care otherwise. We love that we are able to give back in our community and would recommend all dental providers give it a shot!"
