# At Dental Lifeline Network, your time and skills matter.

That's why we've made volunteering easy for compassionate dental professionals like you. We handle the details, you provide the care.

Change lives, find your purpose, and redefine success when you volunteer with Dental Lifeline Network's Donated Dental Services (DDS) program.

“The DDS program allows me to help those in need with dentistry in my own office. Everyone should volunteer, it's so gratifying and the patients truly appreciate you.”
