At Dental Lifeline Network, your time and skills matter.

That's why we've made volunteering easy for compassionate dental professionals like you. We handle the details, you provide the care.

Change lives, find your purpose, and redefine success when you volunteer with Dental Lifeline Network's Donated Dental Services (DDS) program.

"There's a huge need for dental services. DLN really helps fill in some of those voids and gaps for people."

Jeffrey Lodl, DDS
