

“  
This is  
**Why WE Dental.**  
”

# Empower Lives, Empower Teams.

Are you part of a dental support organization or group practice with a heart for giving back?

Dental Lifeline Network invites you and your team to become a driving force for positive change through our Donated Dental Services (DDS) program.

By volunteering, you'll bring smiles, hope and a brighter future to those who need it most.

“  
Looking for a way to give back?  
DLN makes it easy to get involved  
and make a real difference  
for your community.  
”
