

# Become a Dental Lifeline Network Corporate Partner

Change Lives Through  
Donated Dental Care

## Our Network and Reach

For more than 50 years we have maintained a trusted, long-standing network across the oral healthcare landscape, including:

- 11,000+ licensed dentists across multiple specialties
- Partnerships with State Dental Associations as well as regional and metro Dental Societies across the United States
- Dental School, Professional Organization and Academy contacts
- A larger engaged audience of nearly 25,000 oral health care champions

## Mission

Dental Lifeline Network (DLN) partners with companies that share our mission of providing life-changing dental care to older adults, people living with disabilities, medically fragile individuals and veterans. Your sponsorship helps expand access to care for thousands of vulnerable individuals each year—while elevating your brand to a nationwide network of dental professionals.

## Our Value

DLN connects you with numerous contacts in the dental industry and facilitates networking. Sponsorship opportunities include brand visibility and recognition, marketing and promotional opportunities, and employee and community engagement.
