Dental Lifeline Network®

25/26

ANNUAL REPORT

Dental Lifeline Network®

Dental is one of the few professions with the ability to change and save lives. Across the country more individuals are living with pain and missing teeth with no access to dental care. However, the DLN community, all of you, transformed thousands of lives last year!

-FRANK MAGGIO, DDS
CHAIRMAN DLN

Dental Lifeline Network®

Strategic Plan

We are continuing our strategic planning process and established goals for implementation over the next two years.

EXPAND **STRENGTHEN** **BUILD**

Dental Lifeline Network®

Our Goals

EXPAND

Concentrate on building community and developing partnerships to recruit volunteers and raise awareness.

Dental Lifeline Network®

Our Goals

STRENGTHEN

Evaluate the internal infrastructure and develop process improvements to ensure operational effectiveness.

Dental Lifeline Network®

Our Goals

BUILD

Grow and leverage resources to enable more care across DLN’s service populations.

Patient Testimonial

“I am so glad the DDS program was there to help me. They made it possible for me to smile again when I thought that would be impossible.”

— **Bill**
DDS Patient

Patient Testimonial

“I am so thankful for your help. I had been suffering for the last ten years - and it got to a point where I wasn’t able to eat, talk, or hear. Now, I no longer have these issues, and I literally cannot stop smiling.”

— Tammy
DDS Patient

Dental Lifeline Network

Heartfelt thank you to our supporters for making this past year a success.

Dental Lifeline Network®

We want to thank the many public and private donors, foundations, corporations, partners and associations that went above and beyond, making significant contributions this past year.
