Dear Donated Dental Services,

On behalf of the people of Colorado, it is my pleasure to congratulate you on 29 years of donating dental care to disabled, elderly, and medically fragile individuals and to those who might not otherwise receive comprehensive dental treatment.

The vitality of our communities depend upon programs such as the Donated Dental Services (DDS) Program. We recognize and congratulate the Colorado Dental Association, Dental Lifeline Network and the hundreds of DDS volunteer dentists and dental laboratories who have provided more than \$25 million in donated dental care in Colorado. These generous contributions have improved the lives of nearly 12,000 individuals in Colorado.

Once again, congratulations on all your successes and thank you for your ongoing dedication to Colorado's communities. You have my best wishes, both now and in the years to come.

Sincerely,

John W. Hickenlooper
Governor
